

**SAWTOOTH ELEMENTARY SCHOOL**  
**FIELD TRIPS**

During the school year students may have the opportunity to participate in field trips. Satisfactory work and good citizenship are required in order for students to take part in such activities. In this regards, parents should be aware that serious infractions of school rules or failure to complete assigned work on time may lead to the denial of participation in specific filed tips. Parents/Guardians will be notified in writing prior to upcoming activities informing them of details by their child’s teacher.

Parental permission is necessary for your child to take part in these functions. **If you wish to have your child included in field trips during the elementary school years at Sawtooth Elementary please sign below.**

*I hereby grant permission for my child, \_\_\_\_\_, to participate in school field trips throughout his/her elementary school years at Sawtooth School.*

**Emergency Closure of School**

Occasionally, we are forced to have an early closure of school because of unforeseen circumstances. A **sudden storm**, power outages, or furnace failure are some of the reasons school could be closed early.

We would like your family to plan ahead to ensure your child’s safety in an emergency. Will someone be at home? Can the child get in the house? Is there a friend or relative nearby where to child could go? *Please remember 550 students can NOT use the telephone quickly, do not use this as your first option.*

*We have discussed an emergency plan, and my child and I know that he/she will go directly home, or **stay at school until a parent/guardian can pick her/him up.***

**IMPORTANT NOTICE TO PARENTS/GUARDIANS CONCERNING STUDENT INJURIES**

Even with the greatest precaution and the closest supervision, accidents can and do happen at school. They are a fact of life and a part of the growing-up process our children go through. Parents/guardians need to be aware of this and be prepared for possible medical expenses that may arise should their child be injured at school or on school sponsored trips.

***The school district does not provide medical insurance to automatically pay for medical expenses when students are injured at school. This is the responsibility of the parents or legal guardians. The district carries only legal liability insurance.***

***The district does make student medical insurance available to families for their individual purchase. Brochures outlining the coverage and premiums are handed out during registration at the beginning of the school year, and are available after that in the school office.***

Parents/legal guardians, please be prepared to pay for your child’s possible medical expenses. I have read and understand this notice.
