

**Computer and Network Use Agreement**

School district computer users are expected to act in a responsible, ethical, and legal manner, in accordance with the missions and purposes of the networks they use, and the laws of the state and the United States.

The computers and network are provided for furthering the District’s stated educational goals only, and they are to be used by authorized individuals only. Individuals using these systems are subject to having all activities on these systems monitored by system or security personnel. Anyone using these systems expressly consents to such monitoring.

It is possible for all users of the Internet, including your child, to access information that is intended for adults. Although the District has taken reasonable steps to ensure that the Internet connection is used only for purposes consistent with the curriculum and that inappropriate sites (as defined by the Children’s Internet Protection Act) are filtered, the district or school cannot entirely prevent the availability of inappropriate material elsewhere on the Internet.

It is possible that a determined user may make use of computer resources for inappropriate purposes. Deliberate misuse of the computer network or the Internet may result in disciplinary action as outlined in the Computer and Network Use Policy.

I, \_\_\_\_\_ and \_\_\_\_\_

Parent Name (please print)

Student Name (please print)

have read the Computer and Network Use Policy, understand it, and agree to adhere to the principles and procedures detailed within. We understand and accept the conditions stated above and release from any liability the Twin Falls School District #411 (the sponsoring school), its subcontractors, and employees.

I understand that my child is expected to use good judgment and follow the guidelines of the Computer and Network Use Policy. Furthermore, I have discussed the information contained in the Computer and Network Use Policy with my child. Should my child breach the policy guidelines, I understand that my child may lose privileges on the Twin Falls School District computer network or be subject to other disciplinary action.

**SAWTOOTH ELEMENTARY LIBRARY RULES:**

One or two books may be checked out of the library at a time. First graders may only check out one book. Second graders may choose books from the Easy Fiction until they have permission from their teachers to select books from other places. Books are due two weeks from the date you check them out. Bring your books with you when you come to the library. You will not be allowed to return to your classroom if you forget your book. If your overdue book(s) is not returned, you may not check out any more books until the overdue ones are returned. The cost of a lost book is the price of replacing the book. If that title is no longer available, you will be charged the average price of a book, which will be \$15.50. Please select your book carefully. Once you have checked out your book, you may not turn it back the same day. Sometimes you may want to do this because you may find another book that you like better or you think it may be too hard or too easy. This is why it is important that you know your reading level and get books in your range. You also have plenty of time to carefully pick a book that interests you. Please use the place markers when getting books off the shelf and return your marker to the container when you are finished. If you are in the upper grades and do not check out a book, you must plan for something else to do. Your choices may be:

- a. Bring work from class
- b. With permission from your teacher you may take an AR test in the library.
- c. **SITTING AND TALKING IS NOT AN OPTION. PLAN FOR SOMETHING IF YOU ARE NOT GOING TO CHECK OUT A BOOK.**

No gum, candy or food is allowed in the library. This is your library, take care of it.
